Our Heritage is our way of life.

About the farm

Our barn sits on 83 acres of working farmland, that has been in The Blystone Family for 20 years. The farm has livestock, butcher shop, restaurant, bakery, and crop production. Here at The Barn, we take pride in helping you create your dream wedding, or most informative and enjoyable corporate function, or your most successful fundraiser, and so many other memorable moments.

With inclusive secondary structure, The Atrium is the ideal spot for an outdoor ceremony and unobstructed stunning views of Ohio's beautiful sunset. Here at The Barn, our dedicated staff coordinates the services we are able to offer to you.

Located in Canal Winchester, OH, The Barn at Blystone Farm is located less than 8 miles from Rickenbacker airport, which makes flying in the family, associates and loved ones is easy and convenient.
